FALL 2024

WE ARE BLESSED!

Wow! God has done so much already through Good News Club this Fall! We have had over 100 new volunteers join us, with 9 new GNC locations so far. We have also seen a huge growth in attendance from our clubs, and have seen many children come to Christ already this school year. We are blessed!

WE ARE GROWING!

Even though we are still a long way away from the Summer of 2025, we are so excited for what God is already doing! We are growing in our CYIA Assemblies, and some students have even helped with Gospel face-painting events! Our students will also be conducting Christmas Clubs this December, so please contact us if you have a location where you want them to come teach. We currently have 17 students coming to The Trailhead in January, the CYIA Retreat weekend. Some of them need sponsorships for the \$70 that it costs to come, so let us know if you can help!
