And Now.....

THE NEWS

We had great turnouts for both meetings in July with the 28th having 35 attendees. Good takes on the summertime theme. Very nice music as usual with a fair number of sporadic members attending. We all wish you came more often. We had 2 or 3 new members. I expected to see even more new harmonica players to show up but they either forgot or had previous commitments.

SPAH is essentially here and many of us are going again. Hope to see you all there during the convention. Please wear your MHHC shirt if you have one on Friday! Blues blowout is in the convention hotel! Join in and play, go to the night jams and enjoy the vendors. Try to follow me and not eat too much, it is always a battle for me and I usually lose. HA or not so funny.

The theme song for the last meeting in August is "clothes" like "Those Shoes" by the Eagles. For September play a song written by Roger Miller, he wrote over 800 so surely you can find one.

Return Safely!
