### Subcontractor Fee:

\$31,220.00

Kittredge Park is operated by the DeKalb County Department of Recreation, Parks & Cultural Affairs. It includes a public swimming pool open in the summer, a baseball field, a multi-purpose field and a large wildlife sanctuary.

The scope of work included improvements to the 32-acre park located at 1520 Kittredge Park Road. The contractor was responsible for the installation of the following elements: All site work (clearing, demolition, grading, sediment erosion control, etc.) required for repair of the existing asphalt entry drive, installation of porous concrete parking area, crushed stone trail system, prefabricated pedestrian bridge, and landscaping to complete the scope of work for the improvements to Kittredge Park Phase I Improvements.

### *Services performed included:*

#### *Erosion Control Services*

Pinnacle L.D., Inc. provided installation of tree save fencing and silt fencing at designated areas throughout Kittredge Park.

#### *Construction Management Services*

Pinnacle L.D., Inc. provided oversight of the asphalt operations at Kittredge Park.
