

Sunday Meditation

There are books in heaven, written for every one of us here on earth, at least for every Christian. One particular book contains the details of our life, from the moment God breathed us into our mother's womb to our last moment on

earth. Ps. 139:13-16: *"For you formed my inward parts, you wove me in my mother's womb.... My frame was not hidden from you, when I was made in secret, and skillfully wrought in the depths of the earth; your eyes have seen my unformed substance; **And in your book were written all the days that were ordained for me, when yet there were not one of them.**"* So God created us lovingly, and carefully wrote about us in our book. Now He diligently watches over our living out the plan of our book, sending the Holy Spirit and angels to help us fulfill it. All for Jesus, Richard
