From the Editor

Hello everyone

Not much to cover this month since everything has been cancelled. I hop everyone is well. I have been enjoying some time and getting things done around the house. I now have a dozen chickens and a very large chicken coop. I hope everyone has been driving their Vairs around some. I know I have. Stay safe and hope to see everyone soon! Will be planning a picnic at my place for the summer. More to come.

Clay

From the Pres.....

Hello, good people! Hope everyone is still doing well during this seemingly never ending pandemic. Doing well here, just wish things would get back to normal, whatever that is. Sadly, there will not be a May meeting. Hopefully we will be able to get together very soon. Clay still wants to have a cookout at his place, maybe sometime later this summer.

At Springfest last year, Richard Lentinello, editor-in-chief of Hemmings Classic Car magazine, approached Mom, Billy Price, and me, wanting to feature Mom's 67 4-door, and Billy's 64 8-door Greenbrier in a book he was writing, entitled " Corvaire Style ". Of course we agreed! We received our copies of the book last week, and Richard did a magnificent job writing about 50 Corvairs, all across the country, covering the model years 1960-1969. Excellent photography, and a very nice article on each car. Owners were interviewed, and each told what they liked about Corvairs, including driving impressions and any interesting history about their cars.

Richard and his magazine have always been a big supporter of the Corvaire hobby. In fact, in March of 2019, he purchased a 1963 Monza convertible.

If you are interested in buying a copy of your own, go to www.lentinello.com. There were only 2,500 books published, and each one is numbered and signed by the author.

Everyone take care, please stay safe. Hopefully this will be over soon, and we will be able to see each other.

Miss you all,
Chuck
