About Civitan

Chartered in 1938, the Durham Civitan Club began a campaign to promote and improve the quality of life for those less fortunate in the Durham community. The Club strives to make Durham a better place to live and work. During the past 80 plus years it has successfully created opportunities to generate funds to give back to the community. The Civitan Club finds its funding through a variety of projects. Projects, such as the Annual Golf Tournament, help the Club meet its lofty, charitable contribution goals.

Today, the Durham Civitan Club respectfully asks that you join them in their efforts to help the Durham community. By participating in the **Norman J. Whitaker Memorial Golf tournament** you help keep the Club's mission of 85 plus years alive. Thank you in advance for your support. You will have a great time knowing that you are helping worthy Civitan causes.
