

## Saluc Continues Support Of Atlantic Challenge Cup

Saluc, the producer of Aramith billiard balls has again agreed to support the Atlantic Challenge Cup, which enters its third year. In an agreement reached this week, Saluc will provide Aramith Tournament balls with Duramith technology during the third staging of the ACC.

"We are proud to have such a prestigious company in Saluc as a partner," said EPBF President Gre Leenders. "Quality and precision is the choice of many and Aramith's Tournament Balls with Duramith technology fits that profile. Professionals everywhere use and prefer the Aramith collection and Duramith technology tops the lot."

Launched in 2015, the Atlantic Challenge Cup features the best youth players from Europe and America in a Mosconi Cup style event. Six players on each team, four boys and two girls, battle it out on an annual basis to see who has bragging rights across the Atlantic. The event is the result of a joint venture between the Billiard Congress of America and the European Pocket Billiard Federation. This year's event takes place at the Sportpark Klagenfurt Austria between the 5<sup>th</sup> and 8<sup>th</sup> of July.
