

VETERANS OF FOREIGN WARS AUXILIARY
DEPARTMENT OF WISCONSIN
MEMBERSHIP
May/June 2020

These last few weeks, as we have been “social distancing”, it has been a little more difficult to get new members. We have a long way to go and a short time to get there - as the song goes. As of [March 31st](#), we were at 95.71% and we only have about a month and a half to get the job done. We need to be 100%+ by [June 30th](#) to get President Mary in the “Circle of Excellence” at the National Convention in July. This means we all need to get our **ASK** in gear to get those new and reinstated members. As I'm writing this, I don't when the stay at home orders will be lifted, hopefully they are by now.

If you can't meet face to face, call or write letters to friends and people you know that are eligible to become members. Tell them the reasons you joined and all the wonderful things we do for our veterans and their families - the scholarships available for students, our work with youth in the community and the community projects we do. We need to toot our own horn and let the public know all the things we do and then we will get all those new members.

I hope you have all stayed well during this trying time. If not, my wish for you is a full and speedy recovery. Just a little health note. I have been eating a lot of onions and garlic. It is really healthy for you and great for social distancing.

May God bless us all and God bless this great country we live in.

“Giving Hope to Veterans and Families” as we continue “Serving Our Veterans with Aloha”.
