

## **2014 Union County Flood**

### **Debris Removal Plan for Union County SD**

**Purpose:** The plan has been prepared to ensure coordinated response for Union County South Dakota.

**Objectives:**

- Sandbag operations have stopped @ 0900 6-20-14.
- SD DOT will begin cleaning Old Port site @ 0800 6-20-14.
- South Dakota DOT will coordinate the removal of the HESCO bags on I 29 with the assistance of SD Army Guard 155.
- Railroad and DOC will begin removal of the sand bag levee at the railroad on Military Road by 1200 6-20-14.
  - Stacking the sandbags along Military Rd.
  - 929 Military Rd (Old Port) will be the collection site for all HESCO and sand bags.
- On Saturday 6-21-14 @ 0800, Old Weigh Station (929 Military Rd) will be the collection site for residents from Exit 4 South (McCook Lake) for all sandbags & plastic.
  - Residents from Exit 4 South will be able to use dumpsters for the plastic only and drop off sandbags at Old Port.
- Load King site (704 E. Rose Street) in Elk Point will be used for Exit 4 North residents.
  - Residents from Exit 4 North will be able to use dumpsters for the plastic only and drop off sandbags at Load King site in Elk Point.
- Debris on roadways will be taken care of by the authority having jurisdiction.
- On 7-1-14 @ 0800 Union County will pick up all sandbags from Dakota Valley Elementary & Load King and deliver to Old Weigh Station.
