Memorandum

To: CIF Section Offices, Athletic Administrators, Baseball Coaches & Officials

From: CIF State Office

Subject: Clarification of the NOCSAE/SEI Mark on Baseballs

Date: February 12, 2020

The NFHS has received calls about the compliancy of baseballs with the NOCSAE/SEI performance standard mark that do not match the image that is depicted in the NFHS Baseball Rules book or other NFHS publications (see below). **If the baseball has the words NOCSAE®/SEI printed on the ball, then the balls are compliant with NFHS playing rules** (see images & red arrows below) for possible examples of approved markings on baseballs. Thanks and enjoy the start of baseball season!

NOCSAE symbol that appears in the NFHS Baseball Rulebook and other publications
