Rosé
Le Reyran
Sparkling Rose BRUT

THE WINE:

LE REYRAN has all of a "Methode Champenoise" with its freshness and delicate bubbles. The blend of Grenache, Merlot and Muscat de Hambourg has been carefully selected for perfect harmony. The wine has undergone a second fermentation with additional yeast and liqueur. Bottled, la "cuvée" takes its effervescence and develops aromas while laying. The dégorgement of the residue of yeast and lees ends the process of making the sparkling wine.

TASTING NOTES:

The light pink colour announces its subtle rose scent. Its delicate bubbles bursting gently, harmoniously release aromas of litchi, grapefruit and floral notes. The choice of 6 grams sugar level develops a well-balanced wine with a persistent freshness.
