Adams County Veterans Monument

The Adams County Veterans Monument is a set of ten stones listing names of Adams County Veterans as well as one individual stone at the entrance to Parkview Cemetery

One grand Monument in a central location honoring all who served and are serving their country from Adams County.

Here is what you will see when you enter the Cemetery

When you first enter the gates of Parkview Cemetery you will notice a beautiful Monument dedicated to each of the branches of the United States Military.

This beautiful stone is located directly in front of Monument Circle where the Monument to Adams County Civil War Veterans is located. As you continue around Memorial Circle in either direction, you will notice the ten individual granite monuments.

Together, these ten stones
comprise the
Adams County Veterans
Monument

All of the monuments are constructed from slabs of Georgia Grey Granite; each approximately four feet wide by six feet tall. Set on four individual tracts of land, the monuments are capable of housing all the names of those who have served from the County, both living and deceased. Of course, there will be room for the addition of those who will proudly serve our nation in the future.

The name
of any service member who is from, or has lived, in Adams County, Nebraska can be included on the Monument. This includes those who have served or are currently serving Federal Active Duty in any of the Armed Services.

The ten
individual stones will represent various periods of active duty service. Each of these stones can accommodate 486 names.

The cost for each name is \$100.00

Only ONE NAME per application. Sorry, we can only accept checks, money orders, or cashiers checks.

Please make the check payable to: The Hastings Community Foundation, Inc. and include in the MEMO space on your check that you are sending the money to 'Veterans Monument'.

Application forms are available at the Adams County Veterans Service Office, or online at www.adamscountyveteransmonument.org

Names may be submitted anytime. They will be engraved on the monument once or twice a year provided there are enough names.
