Children should be dressed in appropriate school wear. Clothing should not restrict them from doing physically active movements. Please no flip flops! If your child is registered for an additional dance or tumbling class, please have them wear suitable attire. This can include; dancewear underneath their school clothes, a simple dance outfit they can change into by themselves, or wear stretchable clothing that can be worn as school clothes and dance clothes (leggings, sweats, etc). The same rules apply if your child is coming to dance or tumbling prior to school. The students will have a 15 minute break between classes to change and have a snack.

EXTRAS

Please do not send your child to school if they are sick (Fever, runny nose, cough, etc). We want to keep everyone healthy and not spread any illnesses. We do not offer make-up classes if your child misses a class.

Kids Academy Preschool is not responsible for any lost or damaged items. Please label your child's backpack, coat and any personal belongings.

Kids Academy Preschool will not be held responsible for injuries that happen at school or during extra-curricular activities. We strive to provide a safe learning environment. We will inform you of any injuries that we become aware of during class and will call you immediately if we think it is a serious condition.

We must receive a copy of each child's immunization. All children must be potty trained prior to the first day of school. Please provide an extra pair of clothing in your child's backpack incase of any accidents.

VOLUNTEERS

Volunteers are always welcome in the class. There is a sign up sheet as you enter the classroom. Knowing in advance if a volunteer is coming to class will help prepare for lessons and activities that need extra assistance. Please do not bring any other children with you when you volunteer in the classroom. This is a distraction for the other children in the class.

Thank you for the opportunity to teach your child. We look forward to a great year!
