**Our Mission** is to provide an on-going network of books, workshops, programs and events that educate and empower Kids, People & The Planet to be proactive on a host of fundamental issues on subjects like health, nutrition, education, business, the environment, volunteering and life skills. And when Kids & People are empowered they can create a ripple effect that can help change family, peer and world dynamics.

## 16 Things Volunteer Group Talk

(Memorize or Read with Gusto!)

Hello, \_\_\_\_\_. My name is \_\_\_\_\_. I'm a Volunteer with "16 Things Kids Can Do" - It's a non-profit educational organization that works for the Betterment of Kids, People & The Planet through a series of books, workshops, programs and activities. The program is endorsed by Mark Victor Hansen who did the "Chicken Soup for the Soul" books along with Jack Canfield.

As part of my Volunteer program, I am helping Petition the President to declare August as "National Kids Month" and I need your help in signing our Petition form! (PASS OUT).

To raise awareness for the Petition Drive we're also shooting a Hip Hop Music Video that is a good-natured parody of the Ice Bucket Challenge! And in May we're putting on a 48-hour National Telethon!

In addition to Volunteering, I want to let you know that we have Internship, Work Experience and Career Track Programs in many disciplines year round.

So I'm really excited about being involved and doing my part to make a difference. And If anyone is interested in our programs, please check off the info on the sheet. I have cards here so you can go to our site too. (PASS OUT)

Again, my name is \_\_\_\_\_. Thanks for your time, and I hope you'll volunteer with us!
