Behavior Guidance Policy

Noah's Ark Playschool seeks to create a positive learning atmosphere in the classroom. Children's behavior will be guided to encourage self-respect, respect for others, respect for property of others, and safety.

Staff will model appropriate classroom behavior in order to help the children know and understand the following 5 classroom rules or "good friend" rules.

A Good Friend:

- 1. is a good listener
- 2. is a good helper
- 3. is polite
- 4. shares
- 5. co-operates

When behavior guidance is required:

- When behavior guidance is required; teachers will review the "good friend" rules and behavioral expectations as stated above. Any disciplinary action that is taken will be reasonable in the circumstances.
- If the problem continues, the child will be distracted or re-directed to another area, or activity (the incident(s) will be dealt with as quickly, quietly, fairly, and as privately as possible).
- Ongoing behavioral concerns will be discussed with parents. If the behavior continues and is hurtful to other children, the parent may be asked to remove child from program.
- Staff of Noah's Ark will not inflict or cause to be inflicted any form of physical punishment, verbal or physical degradation, or emotional deprivation. Nor will they deny, or threaten to deny, any basic necessity or use or permit the use of any form of physical restraint, confinement or isolation.

| I have and understood the Behavior Guidance Policy of Noah's Ark Playschool. | |
