

“Inasmuch as every government is an artificial person, an abstraction, and a creature of the mind only, a government can interface only with other artificial persons. The imaginary, having neither actuality nor substance, is foreclosed from creating and attaining parity with the tangible. The legal manifestation of this is that no government, as well as any law, agency, aspect, court, etc. can concern itself with anything other than corporate, artificial persons and the contracts between them.”Reality or Fiction why it's called a motion: As described above, Governments, laws, agencies, corporations, COURTS, etc. are artificial, imaginary, abstractions, creatures of the mind only, having neither actuality nor substance, Artificial persons' are fictional "Things" (in rem; adj. from Latin ="against or about a "thing,") ie: ALL CAPS NAME = Person=Persona(Transmitting utility)=CORPS=Corpse = "DEAD" (life less /soul less) "Things", empty vessels which have no inherent power, energy or authority other than that which We living human beings give or are otherwise tricked, deceived (defrauded) into giving to them. Dead fictional entities, such as Governments and Courts, can not 'move' without your power, energy, and authority,... "the Devil can't take your soul, but he can trick you into giving it to him'. . this is why it's called a Motion. Every English Letter Has A Meaning

Only Taught To The Privileged

Every English letter has a meaning not taught to anyone BAR those privileged, those selected few invited in and initiated.

Each letter/meaning is an incantation and as you combine letters (sounds) they form spells and is why all children are taught/forced to spell so they will be under the spell (under-the-standing - understanding the meanings) their whole lifetime.

In & outside of court, certain lawyers, barristers, judges, etc, and others, while in communication with each other, will use these letters between them as codes of instruction/determinations, etc.

They often speak "old english" as do some politicians when they talk to the people via the media.

But the codes/meanings/sounds/language go right over the heads of the people.

They are not conscious of what is really going on, what is really being said.

This is the real Orwellian Doublespeak/Triplespeak that occurs.

The English language was called "The New World Language".

You can learn about some of this Freemasonic/Satanic deception at the Love For Life.com.au website.

English roots are not only in Greek, Latin, Hebrew, French, etc, but also in symbolism which very few know anything about.

It is this symbolism used since these nut cases "crafted" the "practise"

of Ancient Egyptian Hieroglyphics (which is rooted in mathematics and sacred geometry as all read & write alphabet languages are) that is being used against everyone.

The symbolism is the true Free masonic/Satanic language everyone is using without realizing. These symbols are images and it is these images formed out of sounds that create our lost state where we need all the prosthetics of "The System" to survive in this unnatural chaotic state, you call "socialization".

It is the symbolism behind the language we use that forms the spells that most are under.

A few years ago, we filed docs in the supreme court before the judges (not prior), that had the judges quickly flee the court.

When you realize what the Judeo-Judaic world is really all about you will see why it is imperative they want all the people brainwashed
