

MILITARY ORDER OF THE COOTIE OF THE UNITED STATES

“The Honor Degree of the VFW”

Listen Cootie,

It’s that time of year again! A recent review of our Pup Tent Records revealed that you are delinquent for your _____ membership. I’m sure that it’s just an oversight on your part, but I can help you to fix that.

Our Pup Tent dues are only, _____ which is not a lot of money compared to some other things today. Your dues are the grease on the wheels that keeps the Pup Tent moving forward and we need you to continue to be a part of our lousy bunch so that we can continue to help our buddies in those beds of white and our kids at the VFW National Home for Children.

Without you, our Scratches will be a lot lonelier and not nearly as much fun. We sure could use your help at our hospital parties and other functions as we do our part to help our Post survive in these tough economic times. We all know that even the toughest job is easier when there are more hands available to help. So you see, you are a pretty important louse around here and we’d hate to lose you for something as simple to fix as paying your dues.

With elections coming up, we also need your vote! So let’s take care of this now. You can mail back a check for your dues, or you can bring them with you to the next Scratch and pick up your new card, which will be on:

Date _____

Time _____

Here’s my info in case you need to get in touch with me.

Yours in L.O.T.C.S.,
