Vision Statement

Sonlight Bay Christian Consortium, LLC is a private, Christ-centered, blended learning, 1:1, elementary homeschool that exists to: enter into a covenant relationship with parents regarding the education of their child; provide students with challenging Christ-centered academic experiences in a loving, joyful, and nurturing environment; inspire students to examine the curriculum through biblical truth; provide a solid foundation rooted in the Word on which students may develop into and connect with their purpose; and utilize students' unique gifts and talents as they strive to glorify and honor God as well as be a blessing to others.

Students will be trained in skills required to become independent and lifetime learners as they are:

encouraged to successfully meet the challenge of high expectations and seek through a biblical worldview, God's handprint throughout His creation;

engaged in interactive and personalized activities to appeal to and meet their individual needs;

equipped with necessary skills to assist them in cultivating their individual potential; and

empowered to apply their academic and critical thinking skills to solve real world problems.

Mission Statement

Sonlight Bay Christian Consortium, LLC is a private, Christ-centered, blended learning, elementary homeschool where we collaborate in a covenant relationship with parents to train up today's students to become tomorrow's solutions by: challenging their academic, spiritual, and social capacity; cultivating and nurturing their innate potential; and preparing them to connect with and carry out their purpose, all to the glory of God. Upon moving forward from Sonlight Bay, a solid foundation will have been laid for students to continue to develop into lifetime: learners, servants, leaders, worshippers, and representatives of Christ.
