Points of Interest:

Stops only for gas, rest and snacks on the way up there.

Additional Information:

We could ride up either Friday evening or Saturday morning. If we rode up on Friday night, it would give us 2 nights to party by the pool. This hotel has a nice outdoor pool area. We could then spend the day seeing the sights in Natchitoches and ride back on Sunday. We could make the Sunday ride more scenic and possibly stop to see a sight or two.
