Acreage Flag Football League General Rules

Acreage Flag Football League: also known as **AFF COED**

Must Play Rule:

AFF requires that every player registered with the league is required to have a certain percentage of playing time regardless of their ability. All players are to have either a starting position on Offense or Defense. The intent of the rule is that each player shall participate in 50% of the plays, at a minimum, regardless of skill level. The exception to the rule will be due to an injury or exhaustion. Special Team positions do not count as starting positions.

Scheduled Events:

There will only be allowed 3 events per week. For example, 2 practices and one game or 1 practice and two games etc. Each practice is limited to 90 minutes.

****If a Head Coach is found violating the above requirements, they will be suspended from the next game. Repeated violations will result in removal as Head Coach.**

Specific Rules:

The Peewee, Midget, Freshman, and Varsity divisions will follow the rules in the AFF rulebook. The High School division will follow a combination of the AFF rulebook, AND Girl's Flag Football High School Rules. The AFF rulebook will supercede the High School Rule Book.

Sportsmanship Rules:

A team may start a game with as few as (5) players. If for any reason a team cannot produce (5) players for a game, the team must forfeit that game. If during a (5 vs. 5) game a player is lost due to injury the game will NOT be allowed to continue with (4 vs. 4) and therefore that team must forfeit the game. Players will not be permitted to move up or within a division to play for another team. If a team during a game is short players, the opposing team must field the same number of players. For example, a game will not be permitted to be played (7 vs. 6) or (6 vs. 5) etc...

Manager and Coach Suspensions:

When a coach has been ejected from a game, they will be out the remainder of that game and the next game. No exceptions will be made. If the next game is a playoff or championship game, the same rule applies. If a coach leaves their team during a game out of frustration, they will be ejected from the game by either the Officials or any AFF Board member.

Scheduled Game Changes:

There will be no changing of the regular season game schedule (unless weather related and with board approval). Playoff games may be changed only with the AFF Board approval.

Sponsors:

All (Head) coaches are required to have a sponsor for their team. If the coach cannot produce a sponsor for his/her team, their coaching privilege may be withdrawn the following season. The cost is \$300.00. The sponsors will have their company name printed on the uniforms of each team in their respective division, receive a team plaque and their name will appear on the sponsor board posted in the park and on the league website.

No team will receive any sponsor monies back at the end of the season.

Background Checks:

All coaches and parents helping out on the fields must have passed a Background Check and must be certified. Each team has a maximum of (3) background checks at no cost to the individual. Additional background checks will be charged at a fee of \$10.00 each payable by the parent/volunteer.

Minors that request to help must be accompanied by their respective coach at all times.

Injured Players:

If a player is injured during a game or practice that player's coach must complete an injury form. Please see "Injured Player Policy." Forms must be turned in to an AFF board member within 24 hours of the injury. If protocol is not followed, AFF has the right to sit out the Head Coach for the next scheduled game.

Team Placement/Refunds:

Once a player is placed on a team, they are considered property of that team. If that player refuses to play for that team, a refund check will not be issued to that player. The player may not be moved to any other team or be placed on a waiting list during that season. If a player chooses to discontinue in the league after the draft a refund check will not be issued.

Miscellaneous Rules:

All members and players must shake hands after each game as a show of good sportsmanship towards other members and players.

ART.3.....A loose ball is a pass, fumble or a kick. The terms “pass,” “fumble,” and “kick,” are sometimes used as abbreviations when the ball is loose following that acts of passing, fumbling or kicking the ball. A loose ball is one in which it has not yet touched the ground and is in flight.

SECTION 2: BATTING is intentionally slapping or striking the ball with the arm or hand.

SECTION 3: CATCH

ART.1.....A catch is the act of establishing player possession of a live ball in flight. If a player attempts a catch, interception, or recovery while in the air, they must contact the ground inbounds with the ball in their possession prior to touching out-of-bounds, unless an opponent’s contact causes them to first touch out-of- bounds. Catching is always preceded by touching the ball; thus, if touching causes the ball to become dead, securing possession of the ball has no significance.

ART.2.....A simultaneous catch is a catch in where there is joint possession of a live ball by opposing players who are inbounds.

SECTION 4: DEFENSIVE CHARGING occurs when a defensive player runs into the offensive player and makes either no attempt to dislodge the flag of the offensive player who is in possession of the ball, or the defensive player makes no attempt to avoid a teammate of an opponent who has the ball.

For the purposes of enforcing encroachment restrictions, an entering substitute is not considered to be a player until they are on their team’s side of the neutral zone.

SECTION 8: FAIR CATCH

ART.1.....A fair catch is a catch by a receiver of a punt in the field of play, after a valid signal, under

SECTION 13: FOULS

ART.1.....A foul is a rule infraction for which a penalty is prescribed.

ART.2.....Types of fouls are:

- a. Dead ball – a foul which occurs in the time interval after a down has ended and before the ball is next snapped.
- b. Double – one or more live ball fouls (other than unsportsmanlike) committed by each team at such a time that the penalties offset.
- c. Live ball – a foul which occurs during a down.
- d. Multiple – two or more live ball fouls (other than unsportsmanlike) committed by same team at such a time that the offended team is permitted a choice of penalties

- e. Player – a foul (other than unsportsmanlike) by a player in the game hereafter referred to as a foul.
