Missionary Moments

Week of August 21, 2016

Morning: The One God Sent

[Iowa] In 2012, GILMER MAURICIO traveled from Bolivia to Cedar Rapids to visit family. While there, he visited Immanuel Baptist Church and asked the pastor about a Hispanic church. Gilmer did not know God had placed planting a Hispanic church on the heart of this pastor or that he had been praying for four years for someone to lead that work. The pastor told Gilmer if he was the one God had sent he could start immediately. Now the whole family and the church continue to grow. Pray for Gilmer and his wife, ETHEL, as they emphasize salvation and work to restore and strengthen Hispanic families, and give generously through the Cooperative Program.

Evening: Discipleship in Action

[South Asia] MITCH and NELLIE ENGLEHART\* never tire of watching new believers be baptized. In one morning, they watched as a national pastor baptized the first believer, then each newly baptized believer baptized the next. This is discipleship in action, Mitch says, and it’s what brought him to South Asia. The Engleharts have spent the past nine years training church leaders. They have seen more than 1,200 new churches and more than 3,000 baptisms in the past five years. They are thankful that the Cooperative Program is changing eternities in South Asia.

Bible Reference & Statement: Proverbs 30:7-9

Managing well the material things that God provides takes maturity. Our goal should be to maintain balance between too little and too much. Maintaining balance frees us to grow in our giving, and giving helps maintain balance.
