BRUCE E. LONGENECKER
Fire Commissioner / Fire Marshal

FIRE DEPARTMENT

October 18, 2011

To whom it may concern:

Re: Balton Construction, Inc.

I was asked to comment on our experiences with Balton Construction on the construction of a Training Roof Simulator for the Borough of Wyomissing Fire Department, 1259 Penn Ave, Wyomissing, PA.

Balton Construction, Inc. was low bidder on the Roof Simulator Project designed by Kautter Kelly Architects, Wyomissing, PA. The project was completed within the contract terms and conditions and I was very satisfied with the quality of the work. On the job, principals - Luke McNaughton and Don Ballou communicated any issues to resolve in order to complete the job in a quality fashion.

I am pleased with Balton's performance and recommend them for performing similar work.

Sincerely,

Bruce Longenecker
