Dear Space Coast Quilters

Our Guild has been around for over 35 years, and we are still going strong. This is thanks to all our wonderful members past and present. At our last meeting we had two organizations requesting quilts for our Community. One is for a few baby quilts, and the other is for Crosswinds, Youth Services. The members voted to serve these organizations to the best of our ability.

This month is the Big Reveal of Janet's Mystery Quilt. It's a good lesson on the use of color, and how it can totally change the look of your quilt. Don't miss the variety shown at this month's meeting. We will also be looking for members for our Nominating Committee, we'll need new officers for 2024. If you are interested in serving please let me know.

See you September 20, or before,
Joyce
