

Seeking skilled labourer for singletrack trail & bicycle skills park building company

TrailFlow Outdoor Adventures specializes in the design, construction, and maintenance of singletrack hiking / mountain bike trails and bicycle skills parks with job sites located all across Nova Scotia. We are seeking a motivated and energetic person for a full time (or part time if desired by candidate) seasonal position(s) starting early June, 2020.

The day-to-day duties on worksites will widely vary based on the type of project being worked on creating a range of tasks to be completed daily. No two days are alike! The work is physically demanding involving use of various hand & power tools, manual material handling, and some use of heavy equipment. Applicants must be willing and able to commute to all job sites.

Position Requirements:

- comfortable working outdoors in all weather conditions
- highly self-motivated
- ability to transport self to job sites
- able to perform manual labour including the use of hand tools and heavy lifting for a large part of the work day
- ability to work while physical distancing from others

Desired Qualifications:

- experience in construction of sustainable singletrack trails
- carpentry skills
- seasoned mountain biker
- chainsaw safety or felling course
- experience operating heavy equipment such as an excavator, compactor, skid steer, etc.

The hours for this position are 16 - 40 hours/week, with the option of full-time or part-time hours.

Pay will be reflective of candidates experience and qualifications.

Position will be from June, 2020 – September, 2020 with the potential to extend later if work loads demand.

Please apply with resume by May 31, 2020 to Michelle Lindh at: michelle@trailflow.ca
