March 30, 2020

Good afternoon,

On March 29, 2020 Governor Ducey's Executive Board announced that Arizona schools will be CLOSED for the remainder of this school year. We understand this has been a huge impact on our students and families. The staff has worked to implement strategies to allow students to continue moving forward academically. Our hopes are these strategies help assist the student(s) and families with questions/concerns with each assignment.

March 30<sup>th</sup>, Parents and students picked up a two-week review packet with instructions for completion. These packets that were picked up will be dropped off on TUESDAY, April 14, 2020 between 8am-10am at TLC. Beginning TUESDAY, April 14, 2020, students will need to pick up consumable science and math books and remaining personal supplies.

TLC student assignments will be provided through Google resources such as "Google Sites", and student help will be provided by 8X8 virtual office. School communication will continue with DOJO, Remind class and school, as well as email and direct telephone communication with teachers about assignments. We will continue our packet dropped off and picked up on a weekly basis for all families. Attached is a calendar to remind you of drop-off and assignment pick-up dates and times.

**DISTANCE LEARNING** to begin on April 14, 2020

We will be using a variety of resources from GOOGLE. "Google sites" will be one of the great resource's teachers will use to provide weekly instruction, assignments, homework, and tests. Your child's teacher will provide the website link once it is completed and ready for use along with thorough instruction. Please be patient with your teachers and aides as we make this transition.

*For student assignment questions:* The 8x8 virtual office is a strategy we are using to use to provide assistance to students and parents that may be seeking help with any assignment. We have tested the website and the app and it is very simple. The app to download is called "8x8 virtual office" or you can go to [www.8x8.com](http://www.8x8.com) using your phone, computer, or tablet. You click on the "join a meeting" at the assigned class time and enter the meeting name using the chart below.

Grade/Time	8x8 Class Meeting Name
Kindergarten: 11am-11:30am	Tlcthatcherkinder
1 <sup>st</sup> /2 <sup>nd</sup> : 11:30am-12pm	Tlcmontell12
3 <sup>rd</sup> /4 <sup>th</sup> : 12pm-1pm	Tlcapodaca34
5 <sup>th</sup> /6 <sup>th</sup> (math/science): 1pm-1:30pm	tlcbills58
7 <sup>th</sup> /8 <sup>th</sup> (math/science): 1:30pm-2:00pm	tlcbills58
7 <sup>th</sup> /8 <sup>th</sup> : 3pm-4pm	tlcfloyd78

### Response Time

Parents are able to contact teachers via email or through our “REMIND” app any time between **9am-4pm**. We ask that you allow teacher/aides to respond within 24-hours. We do kindly ask for parents to STRICTLY adhere to the time frame of **9am-4pm** when seeking help or for any questions. Many of our staff have children and spouses at home and we want to allow them family time as well.

We encourage your children to read at least 30 minutes daily and follow the assignment calendar. The assignment calendar will help prevent you and your child(ren) from becoming overwhelmed. We will continue to post updates on our website at [www.tlctigers.com](http://www.tlctigers.com) as well on our “REMIND” app. Please call the office at (928)348-8422 with any questions or concerns.

Your child’s education is important to continue during this school closure. We hope using these resources and our classroom materials will make this easier for parents and effectively allow our students to gain their last quarter of education this school year. Please call the office at (928)348-8422 with any questions or concerns.

We appreciate our TLC families continuing communication and timely responses. This helps to keep lines of communication open. More than ever this parent/teacher connection forms the foundation for student academic/emotional success.

**\*\*Stay Safe, Happy, & Healthy\*\***

Respectfully,

**TLC Administration & Staff**
