

As a “Friend of CASA” you are supporting the work of our volunteer advocates as they diligently become the eyes, ears and voice for abused and neglected children living in foster care in Jefferson County.

CASA of Southeast Texas does not turn away any cases and we are proud to say we have 80% of our children partnered with a volunteer advocate. With your help, we can reach our goal of having a volunteer advocate for every child.

Your \$25 donation establishes you as a “Friend of CASA” and we thank you for supporting CASA of Southeast Texas.
