

# STAINLESS STEEL CARE

# YJ-330

## STAINLESS STEEL POLISH

- ✓ Ready to use
- ✓ Polishes and does not leave marks
- ✓ Lasting protective action

### WHAT IT IS FOR

Ready-to-use protective cleaner for all polished and/or brushed steel surfaces. Easy to use, it does not scratch and creates a thin long-lasting protective film to protect the treated surfaces.

### RECOMMENDED DOSAGE

Ready-to-use product.

### USE

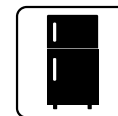

Spray a small amount of undiluted product onto a dry cloth or onto the surface to be cleaned and distribute evenly until it is evaporated completely.

### AVAILABLE PACKING

5liters / 4x5liters
