## STEWARDSHIP 2019

Stewardship of our faith in Jesus Christ calls us to do those things that protect and strengthen the faith that lies within us. Taking time to learn about our Orthodox Christian Faith, praying to God for understanding and guidance, and worshipping with others as the Body of Christ – all these things protect and strengthen our faith. Stewardship is an act of faith. When we believe, stewardship follows. Stewardship is faith in action; action motivated by humble gratitude to God for his blessings in our life.
