

Customer Service Quality Assurance

The Fast Food business can be extremely challenging at lunch time.

Bella Pizza guarantee's quality customer service with rapid deliver times.

Occasionally as we all know mistakes can happen. We take pride in our service of our customers. We Guarantee our service to be satisfactory or your money back, Period!

Please take note:

On large corporate orders please try to get these orders in a little early (10AM) before the lunch hour. Many company's order for their staff at Bella, and getting these orders to you on time is always a challenge. So getting your orders submitted early can help us get it to you on time and ready for your lunch hour.

Phone Etiquette:

If for any reason you feel someone is not polite to you on the phone we plead with you to please ask them to identify themselves so you can bring this to our attention and we can rectify the problem. If for any reason you're not satisfied with our service please call us right away so we can make it right!

Thank You,

Bella Pizza Management
