SHAYBAH PACKAGE - 04

Increase Gas Handling Capacity Project
Permanent Office facility for Owner

Project Snapshot

Project Name	Shaybah Package 04 - Increase Gas Handling Capacity Project
Project Owner	Saudi Aramco
Project Location	Shaybah
Project Subtitle	Permanent Office facility for Owner
Contractor	Samsung Saudi Arabia Co.
Project Year	2014 - 2015

About the client

Shaybah Oil Field is a major crude oil production site in Saudi Arabia, developed by Saudi Aramco, located approximately 40 KM (25 mi) from the northern edge of the Rub' Al-Khali ("Empty Quarter") desert.

Key Challenges

- ❖ Construction of Camp Site facilities on a deep remote desert location.
- ❖ Extreme weather conditions on this remote desert location tested the quality and durability of our products.
- ❖ A remote desert location along the UAE boarder better known as the Empty Quarter, no available life support.
- ❖ Required full sustainability from day 1 of mobilization.
- ❖ Complex logistics
