

VETERANS OF FOREIGN WARS AUXILIARY

WAYS AND MEANS

July 2018

Ways and Means **“Flaming Fridays”** Money raffle should be well under way by now! The money raffle should have been distributed at your spring district meeting. If you don’t have it, contact your District President. As stated in your instructions, DO NOT send the money or the stubs through the U.S. mail as this is illegal and we could have our license taken away. Then how would we raise money to support our programs? Arrangements will be made to pick up the stubs and an auxiliary check for all raffles sold later. **HANG ON TO THEM** until you hear from me. They should all be sold by the 20th of September to be eligible for the drawings as stated on the instructions. Thank you for your support.

Now as for the President’s Pins.....start promoting and selling these beautiful pins. They can be used anywhere—holidays, gifts, prizes, give-aways.... you name it....you can do it! They certainly look like an expensive gift and are well worth the small cost of \$3.00. Again, these have all been prepaid or assigned, so I am aware of who has how many and you will be held accountable for the cost of the ones you have.

What an easy way to support our programs with finances raised from these programs. See you all at the C of A with more information on the Ways and Means program.

REACH FOR THE STARS FOR VETERANS

AS WE

BELIEVE.....WE CAN DO IT
