

3rd Annual St. Joseph's Feast Day Celebration

Background

The St. Joseph's Day tradition began centuries ago in Sicily, Italy. There the people were suffering from a drought, and they called on St. Joseph for help. The people promised to honor St. Joseph with a FEAST if the rains came. The tradition says that rain soaked the area, and the people were true to their word. In a public area, they set up a large table piled high with food. All those who were in need were invited to come and eat.

Continuing the Tradition

Beatitudes of Our Lord School will continue the St. Joseph tradition. Each grade will be assigned a particular type of food to share. Then, we will all gather together as a school community and enjoy each other's dishes. Along with a dish, please bring canned goods to be donated to the poor (Good Sam Pantry). There are many different St. Joseph's Day customs, but, coming together and caring for others is always an important part of the day. In addition, we will be having a PRAYER SERVICE in the church before our feast in Marron Hall.
