14-HOUR COLLABORATIVE LAW TRAINING*

Two-Day Training For Mediators, Collaborative Professionals, Attorneys, CPAs, Financial Planners, Therapists, Child Advocates

Christine Crilley presents a comprehensive training that will form a foundation for your Collaborative Law Practice. Collaborative Resolution occurs when parties work together as a "team" to reach a mutually agreeable solution. Attorneys facilitate the process for their clients and other "team" members in Iowa may include other Collaborative Professionals such as Financial Planners, CPAs, and Child Specialists (some jurisdictions also include Mental Health Coach).

The training will help you to develop a basic plan to set up a collaborative practice or to use the knowledge gained to become more effective with other people that you encounter or facilitate a dispute resolution process.
