Position Opening

Mountain Roots is hiring three Core Group Leaders this summer that will have the opportunity to work closely with a small staff team and an awesome group of kids. Our Core Groups (Oaks, Maples, and Dogwoods) are age-based groups that travel throughout the day camp experience together. Mountain Roots is offering nine weeks of day camp this summer in Brevard, NC at 3 different locations. We work with a range of populations through our various programs. As a mission-driven organization, one thing that all of our programs have in common is striving towards this common goal: to provide discovery and outdoor learning experiences with a focus on environmentally responsible and community centered living. We offer programs that revolve around leadership and group development; nature; and the arts. Summer 2017 core group leaders will have the opportunity to work with all 9 weeks of our multi-faceted Day Camp as well as the opportunity to work on program development and assessment. Core Group Leaders will take part in at least one week of staff training in early June.
