

Stafford Medical P.A.

Dear Patient,

Stafford Medical P.A. has begun accepting patients for registration to our PATIENT PORTAL. The portal provides a secure electronic way for our patients to communicate with our practice. Once you are registered for the Patient Portal you can:

- ✓ Use the messaging function to communicate with office staff
- ✓ Request an appointment
- ✓ Request a referral or medication refill
- ✓ View health summary information
- ✓ Print or save an electronic copy of your Clinical Summary
- ✓ Ask billing, general and financial questions

If you are interested in registering for the portal, please fill in the following information on the line below:

Name (print): _____

Date of Birth: _____

E-Mail Address: _____

Secure messages and information can only be read by someone who knows the correct user name and password to log into the Patient Portal. Our portal ensures your privacy and is in compliance with federal and state regulations.
