

Dear Parent / Guardian,

During the 2018 – 2019 tumbling season,
CITT is interested in taking photos of CITT recreational members...
which we plan to use in various ways to help promote CITT.

Examples of these promotions include
the CITT web site, Facebook,
brochures, and fliers.

Please sign this waiver,
if we can take pictures of your child during the 2017-2018 season for this
purpose.

I _____

(parent / guardian)

allow Central Illinois Tumbling & Trampoline
to take pictures of my child _____ while taking part in CITT

(child's name)

activities and give C.I.T.T. permission to use those pictures to help present the
CITT recreational program
to the community in an appropriate manner!!! Please turn this form back into the front desk.

Thank You
