REDEEMER CHRISTIAN SCHOOL

MARCH 2023

NEWSLETTER

*"Make me to know they ways, O Lord; teach me thy paths."
Isaiah 43:1*

Director's Note

With warmer weather starting, bulbs starting to sprout in our front entrance of our school, and the trees starting to bud in our RCS backyard we feel the promise of Spring! We enjoy the change in God's world while we keep very busy!

We thank our parents for the nice responses for recyclables that we used for our "Grocery" and "Supermarket Shopping" which is always a lot of fun! This is a nice way to encourage imagination and role playing with the children as they "shopped"!

We also thank our parents for coordinating our classroom Valentine parties. To emphasize love and caring each class made Valentine cards to give to senior members of Redeemer Lutheran Church. It's nice to hear each year that we helped put a smile on someone's face when a loving Valentine message is given out!

This month we are happy to have class trips for our Threes, Fours, and STARS. The Threes will be going to Tagalongs in Lake Hopatcong for fun play and the Fours and STARS will be going to the Morris Museum to experience the SPARK! Lab and the Digging Dinosaurs program.

We end March with our Easter Egg Hunts for each class. We are thrilled that we can be together for these hunts once again using both the backyard for the younger children and the front of the church for the older children. We thank our parents for supplying our plastic eggs and goodies for our goody bags. We talk about Easter and its meaning for each of us is our lives. We tell the children of Jesus' love for us all and that he died for each of us but rose again on the third day. We tell them that Jesus is alive and lives in our hearts. We want them to know that a "Christian", one of the words which names Redeemer Christian School, means someone who loves God and who asks God to live in his or her heart forever. Easter is important to us as Christians, and we know that it's important for each of our preschoolers to know of God's love for us. Here at RCS we can tell them this message! They are young but each child will grow knowing at such a young age that God is a constant part in our changing and often trying world.

God bless you all in the Spring Season,
Cindy Stevens & the RCS Staff
