

ANNOUNCEMENTS

April 16-April 23, 2018

STUDENTS

- **Juniors:** The process of running for Senior Class Officer for next year will begin soon. There will be an interest meeting and application required. Every potential candidate must also be clear of discipline and attendance concerns. Campaigning and voting will not occur until **after** May 3rd. More information about requirements to run and the process will be discussed at the interest meeting on Thursday, April 26, after school in E107. The meeting will last until 4:30. You **must** attend the interest meeting if you intend to run. If you have any questions, see Miss McCalister.
- Do you like challenges? Of course you do! You're at Magnet, the best high school around!

Well, Greens Club has two exciting challenges planned for an inaugural event called Earth Fest after school on Friday, April 27th. The first challenge that you'll start to hear more about next week is a Plastic-Free Day Pledge where we are encouraging students and teachers to commit to not using plastic for **ONE ENTIRE DAY**, on Friday, April 27th. It's going to be very hard, but I bet some folks will be successful. You can learn more about the pledge at the Greens Club picnic booth when you buy our Cane's chicken fingers or our really cool succulent plants!

The next challenge is the Plastic Water Bottle Engineering Challenge. After school on Friday, April 27th, we need at least 4 teams of students. We want at least one team of 3-4 Freshmen, 3-4 Sophomores, 3-4 Juniors, and 3-4 Seniors to sign up to compete against each other. The goal is to spend 30 minutes building the tallest AND most structurally sound water bottle tower using only empty plastic water bottles and 1 roll of duct tape. Prizes and bragging rights will be awarded to the winning team. If you want to sign up for this challenge, you'll sign up at the Greens Club booth at picnic.
