Bone Broth

Bone Broth has many proven therapeutic benefits. We make ours from our own animals which are all pasture raised without any drugs or hormones. Processed in our certified Farm kitchen we follow the Weston Price Foundation guidelines. We offer Chicken and Beef. Great to enjoy straight or used in your favorite Soup, Stew and Sauce recipes.

“Good broth will resurrect the dead,” says a South American proverb.

Beef Bone Broth \$12/quart (sold frozen)	Chicken Bone Broth \$10/quart (sold frozen)
