## SIP N' LEARN

NOVEMBER Tuesday 11/12 @ 7:30-9:30PM  
Sip & Learn - Together Moments  
Location TBD

Save the Date! Tuesday, November 12th will be our next Sip & Learn. We will hear from Jennifer Zumbiel, of Together Moments, as she gives us interactive ways to create meaningful conversation with our family around the dinner table. Together™ was born out of a desire to help families make their moments matter. In today's world of overscheduling and competition with screens, families crave communication that connects them. The reality is, when communication within families breaks down, the family itself faces a threat of breaking down. Together™ is the dinner table game solution to catch all these moments and all those in between, where you just want to slow down, focus, and be present with one another.

We will also be raffling off Jennifer's newest product, Together™ date night, for couples who want to gather, to talk, and to grow.

A big thanks to all the members who came out to the September Sip & Learn. We were able to hear valuable information about the Sycamore School Levy that is coming this November. Also, shout out to Colleen Neal for winning the raffle basket! Thanks to the following local businesses that helped fund the basket: Pogo Play, Skidaddles, Artemis, and Z Place.
