

The Grey Gazette

January 2017 – Issue 2 Editor: Elisabeth Silva

Last year was amazing, but we know this year will be even better! Thank you to everyone who has helped to ensure Music City Greyhound Adoption is a success. Hosting a *Meet & Greet*, organizing a *Bake Sale*, opening your home to *foster a greyhound*, and even *playing Santa*. All of these and more, are the things that keep our group growing and becoming more successful everyday. Thank you for all that you did in 2016, and we are looking forward to the opportunities that the New Year will bring.

Did someone say Santa Claus?

Even the greyhounds had the opportunity to tell Santa exactly what they wanted for Christmas this year...

"Toys, toys, toys, treats, beds, blankets, and oh yeah, more toys of course!"

What a great way to capture those magical moments. Thank you to Santa Claus (Trey McCormick) for taking the time to listen to all of their Christmas wishes and posing for these memorable pictures.
