Tofte Landscape Project

The public is also being asked to contribute their comments, with the Forest Service stating that comments will be most useful if submitted by November 3rd.

Comments can be submitted online by going to: <https://usfs.maps.arcgis.com/>, and creating an account to sign in.

Here are some questions to consider when you submit scoping comments:

- What forest conditions need improving in the project area?
- What types of treatments should we include in the treatment 'toolbox' and under what conditions should they be used?
- Are there any project design criteria (landscape filters and operational standards and guidelines) that we should add, change or remove from the project to better achieve the purpose and need, or to avoid and minimize adverse environmental effects to any specific resources or locations?
- How can the implementation plan be designed to best engage other governments, interested organizations and the public in selecting stands and treatments?

Emailed comments can be sent to: comments-eastern-superior-tofte@usda.gov, c/o District Ranger Ellen Bogardus-Szymaniak, Attn: Tofte Landscape Project, or by mail to: District Ranger Ellen Bogardus-Szymaniak: Attn: Tofte Landscape Project, PO Box 2159, Tofte, MN 55615.

Are you a military veteran with a discharge above dishonorable? If so, you may be eligible for federal and state veteran benefits. Call the Lake County Veterans Service Office for eligibility and details.
