Fontana Veteran's Memorial Rose Garden

\$200.00 Plus an Annual \$10 Maintenance Fee!

Spaces are extremely limited in the Fontana Veteran's Memorial Rose Garden, therefore it is required that the person you wish to honor is related to, or has been a resident of Fontana and served our country in the United States military during wartime. The special Veteran's Garden is located north of the Fontana Family Rose Garden, in the Spring Street, Fontana. Your veteran will be remembered with a lovely plaque permanently mounted on a concrete marker situated beside the red rose bush of your choice.

If the person you wish to honor does not meet the requirements needed for the Veteran's Memorial Garden there are still spaces remaining in the Fontana Family Rose Garden adjoining the Veteran's location.

Funds generated from these projects are used to preserve the Camp 1, Pepper St Agricultural Museum and other historical sites protected by the Fontana Historical Society.
