Dear Sacred Heart Family,

While reading this article, we are celebrating the gift of Sacred Heart Catholic School during Catholic Schools Week. When you choose to send your child(ren) to a Catholic School, you are expecting it to be different than a public school. Not to sound cliché, but we are different by design. We are a community of **Faith, Knowledge, and Service**. Each one of those aspects is important by themselves. But, more importantly, living them out all together is life-changing. Living out Faith, Knowledge and Service is ingrained in our daily curriculum at Sacred Heart School.

We are building the kingdom of God not only by believing in Christ our Savior and learning about our Catholic faith. We, as a parish community, also celebrate mass together. As a school community, we pray together at least three times a day. We pay reverence to our feast days, holy days of obligation, learning more about our faith during religion classes, learning more about our faith by having conversations with other believers, and participating in Advent, Lenten and sacramental retreats. We are blessed by being able to put our faith in action daily.

We really emphasize “personal best” at Sacred Heart School, in and outside of the classroom. We adhere to the Diocesan and state courses of study. But, we are also able to enhance our students’ knowledge by offering different opportunities to expand their personal growth in all subject matters. We have the privilege not to teach to state tests. We are able to diversify our subject matters to ensure that all our students excel to their personal best. We have also been able to offer high school classes to our 8th grade students. This gives them the opportunity to take high school classes while still being in our small nurturing environment. It is one of our missions to expand your child’s knowledge in all subjects at Sacred Heart School.

Our staff works very hard to lead by example by incorporating service in our daily lives. We all are called as Catholic Christians to assist our brothers and sisters in Christ. There are many times throughout the school year that we offer service opportunities. So far this school year, we have conducted a toilet paper drive for our local veterans, food drive for our local food banks, and collected items for the humane society. By incorporating service in our course of study we are demonstrating the importance of giving back to our community.

Thank you to everyone that supports and believes in the importance of our mission at Sacred Heart School. No support is too small or goes unnoticed. In my opinion, one great aspect of our community is when someone sees something that needs done, they are willing to volunteer to rectify the situation. There are numerous times when donations just “appear” at our school and parish. I would personally like to **THANK YOU** for that. **We do appreciate your support!**

Our community of **Faith, Knowledge and Service** keeps evolving with the times while keeping a secure belief of our past. I would like to thank our parents who send their children into our safe and faith-filled school. Thank you for investing in an education not available in a public school environment. This formation of faith is the bedrock of Sacred Heart Catholic School and the outcome for a child of God is unequalled.

God Bless,

Lisa Myers, Principal
