Quotes:

“His greatest strength is his commitment. is committed to his education. As a student in the Project Lead the Way Engineering Program, has already committed his high school studies to lead him down a STEM path. His interest and aptitude for engineering has been evident over his time in my class. There is no doubt in my mind that will excel.” **Dawn Rountree** - Engineering Teacher

“Due to your generosity, I will be able to reach my goals of studying engineering at Virginia Tech. This will eventually lead to my future occupation as an officer in the US Navy.” **Jacob**
