Announcements:

This was another great week in Cougar Nation! Thank you to our middle school band students and directors that joined us at "Future Cougar Night!" What a fantastic group!! Also a big thank you to the chaperones and band boosters that helped with chaperoning the first couple of football games!! You're awesome!!!

A few friendly reminders: Brass and Woodwind students should have completed their first two objectives (quizzes) by this point. Students may complete these performance assignments during their band class time, WIN time, or before school. Objective 3 is due this week.

Please remember that the "major grades" in the band program are assessments of the TEKS (Texas Essential Knowledge and Skills) for their specific course. Since band is a performance activity, these skills are evaluated at rehearsals and performances. If a student has an unexcused absence from a rehearsal / performance, this can negatively impact their grade because they are unable to be assessed. If a student is sick or there is an extenuating circumstance, please communicate with your director. Note: Students with an unexcused absence from rehearsal(s) may be excluded from performance events. Thank you!

Tuesday night there is a band booster meeting at 7:00 p.m. in the CHS Band Hall. All parents and supporters are encouraged to attend to stay informed on band happenings and to be an integral part of the success of the Canyon Band program. We hope to see you there!
