 - Engage NY Math
-

- i. Supports teachers in presenting mathematics in a logical progression from Pre-K to 12th grade. The approach allows teachers to know what incoming students already have learned and ensures students are prepared for what comes next. Designed to reduce gaps in learning, instill persistence in problem solving, and prepare students to understand advanced math.

FUNdations ELA K-2

- ii. Research-based materials and strategies essential to a comprehensive reading, spelling, and handwriting program using a multi-sensory approach. Can be used for both preventive or intervention approaches. Emphasizes: Phonemic awareness; Phonics/ word study; High frequency word study; Reading fluency; Vocabulary; Comprehension strategies; Handwriting; Spelling.

ReadWorks ELA 3-5

- iii. Online resource of reading passages from all genres and lesson plans for students of all levels, K-12. The goal of program is to improve reading comprehension by bringing the latest in literacy teaching research into the classroom. Builds skills in comparing and contrasting, vocabulary, making connections, identifying patterns.
