

Texas Agricultural Irrigation Association Membership Application

Membership is open to individuals, institutions, businesses and governmental agencies active in agricultural irrigation. Five membership categories are available:

Regular: For irrigation equipment manufacturers, distributors, dealers and installers, registered engineers and/or engineering firms and companies that design irrigation equipment, and manufacturer representatives, and other organizations supporting agricultural irrigation activities. Regular members are entitled to one vote at all membership meetings.

Associate: For additional employees of Regular member firms. Non-voting.

Technical / educational: For individuals employed by educational institutions or local/state/federal government agencies. Non-voting.

Supporting: For those having interest in TAIA, but not meeting the requirements of other classifications. Non-voting.

Producer: For the end-user of irrigation equipment, i.e. farmer/rancher. Non-voting.
