GENERAL

Coaches who choose to “manage” more than one team will be responsible for making arrangements for "fill in coaches" if said coach has a scheduling conflict. If a conflict does occur, it is the Coaches responsibility to make the decision as to which game he will coach.

There will be no re-scheduling due to this conflict. Once a schedule is issued, NO changes will be made without Executive Board approval.

Requests for changes during playoffs only will be taken for conflicts with a coach having two or more teams or a school event.

Calls made on the fields by the officials are the calls that are made. Coaches will not ask for Board intervention, as Board members will not become involved.

Any parent who prematurely removes a player from his/her team without just cause or a player who quits on his/her team will not be eligible for any All-Star teams that may be formed at seasons end.

No games or scheduled practices may be held at Indian Trail Parks or Palm Beach County Parks on Sundays without written consent from the Executive Board. All sports must go through the AAL for field permits at all local parks and fields.

No coach, player, or member of the AAL is permitted to bring any item to a permitted field within the Indian Trials District without approval from Indian Trail. Only approved sports equipment is permitted.

PLEASE remove all trash from fields, parking lots and other areas immediately following use. NO DOGS are permitted on the fields!

All coaches and players must shake hands after each game as a show of good sportsmanship towards other members and players!!!

**No use of alcohol or tobacco
(including herbal products)
products during practices and
games.**

League Authority and Discipline Policy

League Authority:

To exercise disciplinary authority (so far as is lawful) over all persons engaged in such games, competitions and exhibitions to the end that amateur games and contests may be subject to clean, dignified competition. Any League Member, personnel, representative, coach, player, parent, relative, or fan found by the AAL Board failing to comply with a lawful request from the AAL Board, its Officers, Commissioners, or Representatives will be suspended.

Any League Member, its Personnel, Representative, Coach, Player, Parent, Relative or Fan found by the AAL Board to knowingly give false information, misrepresent by word, or deed the AAL, it's Board, Officers, Commissioners, Representatives, or League Members, will be suspended.

Any League Member, its Personnel, Representative, Coach, Player, Parent, Relative or Fan found by the AAL Board to violate any Bylaw or who acts in any manner deemed by the AAL Board to be grossly disrespectful to a team or another person or who engages in a fight or other major unsportsmanlike conduct or conducts themselves in manner found disrespectful to a League Member Representative will be disciplined.

The AAL Board, following an Incident Hearing, may discipline any League Member, Personnel, Representative, Coach, Player, Parent, Relative, or Fan as defined in this policy.

Players Suspension(s):

- The Chairman of the Special Committee will be empowered to meet those players who will be suspended for not more than one (1) game for Unsportsmanlike conduct and advise them of the violation of the bylaws as well as the one game suspension. This meeting will take place at a site determined by the Chairman with the head coach present and, if possible, the player's parent(s) or guardian. Anything beyond a one game suspension will go to the AAL Executive Board.

Coach Suspension(s):

- The AAL Vice President and the Chairman of the Special Committee will meet with the coach in question and as long as the suspension is not more than one (1) game, this group can make the decision. If the suspension will be longer than one game or is deemed a "significant" violation of these bylaws, the AAL Executive Board will be brought in to recommend a decision. All League reps will be emailed the results by the Secretary and any League Rep may appeal the decision of this group in accordance with the bylaws.

Complaint Procedures

Complaint Defined:

- An alleged Bylaw infraction, actual or possible.
- A complaint against a League Member's actions or Personnel to include its Representatives, Coaches, Players, Parents, Relatives, or Fans.
- An alleged confrontation on the playing area or an adjacent area between a League Member's Personnel to include its Representatives, Coaches, Players, Parents, Relatives, or Fans.
- Any incident reported to or witnessed by an AAL Board Member must be submitted via email immediately or in person at least two days prior to the next regularly scheduled AAL meeting.
- Provided that the AAL President has been informed of a Complaint Submission within the time limits and has informed the accused League Member the complaint filing shall be considered timely.

Once the AAL Board receives a complaint, a copy will be forwarded to notify all involved parties of the complaint.

The accused parties will have 48 hours to respond by email or other equivalent documented response to their respective Chairman regarding the complaint.

Failure to respond will result in the complaint being determined valid.

Once the accused party issues a **written** response the Board will attempt, either by writing or on the phone, to resolve the issue between the parties within two business days.

If the involved parties cannot agree on a solution, or the alleged incident may violate a Bylaw or be severe in nature, a recommendation for further action will be presented to the AAL Executive Board at the next scheduled meeting.

Investigation of Complaint:

The AAL Board will conduct an investigation of the complaint and response by reviewing all information from eyewitnesses, documentation, and videotape if applicable.

The AAL Board will act in an unbiased manner. Any member of the AAL Board who is also a party to the complaint will excuse themselves from the investigation and findings.

The AAL Board will make their best faith effort to complete their investigation prior to the next scheduled AAL Board meeting. At the conclusion of the investigation, the AAL Board will recommend disciplinary actions.

The AAL Board recommendation shall include an explanation of the basis for the decision.

Incident Hearing:

The involved parties may request additional personnel to be present at the hearing.

The AAL Board will determine what personnel, if any will be allowed to attend the hearing.

The AAL Board will recommend a time limit for every Incident Hearing, taking into account the severity of the alleged violation. The AAL Board will then approve a time limit, BEFORE the complaint is heard. There will be a minimum speaking time limit of 15 minutes for each League Member involved in the complaint. All hearings will be informal and the rules of evidence will not apply.

The AAL Board will hear all involved parties representation of the facts regarding the complaint within the time limits set.

The Vice President will monitor the time for each party.

The AAL Board will decide which, if any, personnel to interview.

Only the item(s) in dispute will be discussed.

The AAL Board may decide to defer a decision on the complaint until a subsequent League meeting, to allow further investigation as necessary.

Upon the conclusion of the hearing, the AAL President will call for a yes or no vote of guilt on each alleged bylaw infraction individually.

A majority vote of eligible members present is required to find a party guilty of a bylaw infraction.

The assessment of penalties shall not occur until a determination of guilt or innocence has been made on each alleged infraction.

Any discussion of the mitigation of penalties shall be held during the discussion of penalties. Singularly, jointly, or in the alternative, the AAL Board may consider all aggravating and mitigating factors in making its decision, and in assessing penalties.

Complaints determined to be valid by the AAL Board will result in disciplinary action as defined under "Penalties".

The AAL Board shall record all of its findings and determinations in the meeting minutes.

All AAL Board decisions shall be binding.

Penalties

For a violation of any Bylaw herein set forth or in addition to any penalty herein set forth or for any conduct deemed undesirable or for any complaint found to be valid, the AAL Board may impose any or all of the following penalties to the accused party, parties or League Member(s):

Violation of the conditions of suspension WILL result in further disciplinary action up to immediate dismissal and expulsion.

The player may watch from the sidelines however, they may not be dressed in full uniform.

The Board must have a unanimous vote to impose an expulsion

Expulsion is defined as permanent loss of League membership, participation, and involvement, and will

Cause the loss of honors or awards

Cause the loss of post-season play

Cause the loss of voting privileges

Impose a fine on a League Member

The AAL Board may decide in certain situations to place the party on probation rather than enforce any penalty defined in these Bylaws, or set forth by the Board.

Probation is defined as a period of time, determined by the Board, during which the party may participate in AAL activities and functions, but the behavior of said party will be monitored.

- Probation Violation: If the AAL Board determines that a party has violated probation, the Board will enforce the original penalty, plus any new penalty that may have been violated.

Determination of Severity of Offense

When the lodging of a complaint results in the determination that punitive action is required, the offense will be categorized as a Level I, II, III or IV offense, with commensurate results:

	Penalty
Level I Offense	<p>Level I offenses are generally categorized as being of an “administrative” nature, or include offenses not directly perpetrated by the member and not reasonably under his/her immediate control.</p> <p>Level I offenses shall be penalized as a written reprimand or up to a 1 week suspension. If a member accumulates 3 Level I offenses over the course of one calendar year the AAL Board will convene to determine the course of action that should be taken.</p>
Level II Offense	<p>Level II offenses shall be penalized by probation of the member for the duration of the season. Any additional violation of any level during the probationary period will result in suspension. If a member accumulates 2 Level II offenses over the course of two consecutive seasons, the member shall be immediately suspended for one game.</p>
Level III Offense	<p>Any offense that results in suspension shall automatically be considered to be a Level III violation for accumulation purposes.</p> <p>Level III offenses shall be penalized by suspension for one game.</p>
Level IV Offense	<p>Level IV offenses are generally categorized as those offenses which could potentially result in criminal prosecution of the offender, or which clearly indicate that the offender should not be entrusted with the well-being of youth athletes.</p> <p>Level IV offenses shall be penalized by expulsion from the league.</p>

The following table summarizes the maximum penalty Levels associated with current bylaw provisions.

Ultimately, the Sports Board has final decision when choosing coaches.

The following is asked of each Coach:

Be a positive role model and make the game enjoyable for all players.

Teach all your players to the best of your ability.

Do not display unsportsmanlike conduct or undesirable behavior before, during, or after practices or games.

Control the behavior of all assistants, players, parents, and fans. You will be held responsible for any undesirable behavior.

See that all players receive the required amount playing time set forth by the League.

Be responsible for the care and prompt return of all League equipment at season's end. Should any equipment not be returned, the replacement cost will be assessed to the Head Coach. If retribution is not made within a responsible amount of time, the Head Coach will be expelled from participating in any programs sponsored by the Acreage Athletic League, Inc. until the issue is settled.

Report any injury that required medical attention to the Divisional Directors immediately. This must be done in writing and on proper form.

All Head Coaches are required to attend all officially scheduled meetings.

Some sports may require your support and assistance with different functions in addition to your coaching responsibilities. They may include but will not be limited to: field preparation and clean up, fundraising and clinic attendance to name a few.

Abide by all League rules, support all policies and procedures set forth by the Acreage Athletic League, Inc.

All League Officials, Coaches, and Team Boosters shall conduct themselves in a manner that reflects good sportsmanship and leadership. The coach shall be responsible for the conduct of his/her players at all times.

Coaches must try to prevent disorderly conduct before, during, and after the game or practice, on or off the playing surface.

Although there is a must play rule, coaches may bench a player for continually missing practice or for displaying behavior detrimental to the team (see limited play rule guidelines). Every avenue should be explored to rectify such problems before disciplinary action occurs. This includes but is not limited to; speaking to the child, consultation with the parents, or inform your Divisional Director who will pass along through the proper chain your problems/concerns.

It is required that coaches conduct a parents meeting at the beginning of the season to set up practice schedules and what is expected to be accomplished during the season. At this meeting, it is recommended that you get a volunteer to act as a team parent to assist with phone calls etc.

Although winning and losing means a lot to the players, it is the responsibility of the Head Coach to teach the players to be humble and dignified when winning or losing.

Volunteer coaching positions are for the term of the sports specific season only. Positions must be applied for every year. Having held a previous coaching position does not guarantee a position for the following year.

Coaches are responsible for obtaining a sponsor for their team.

The roster should be updated for changes in player status, such as additions to the teams and players leaving the team. In general, refunds for players who quit should not be available for game jersey after the first game has been played, and no refund after the third game is played. As well, the rosters should be frozen by the time the third official game has been played, if not sooner. Exceptions are permitted by a majority vote of the Sport League Board.

After the rosters are frozen, the Sport League Treasurer and Secretary should perform a reconciliation of the total number of players participating in the league multiplied by the general registration fee as a gross revenue figure. This total should be reconciled against the total deposits, net of any player refunds. Reconciling items may include, among other things; sibling discounts, scholarships provided by Sport League, Sport Board Member children, returned checks, registration

errors, etc. If late fees are charged for late signups, that should also be part of the reconciliation to explain a positive variance.

This reconciliation, along with the final rosters and deposit logs should be provided to the AAL Treasurer and presented to the AAL Board Members at any AAL Board meeting. This should also be accompanied by an updated budget reflecting the actual revenues collected by the Sport League with actual costs to date and projected costs through the beginning of the following season.

The team rosters must be provided to the insurance carrier to support the total children covered under insurance in a format that they require.

OTHER RECEIPTS RECONCILIATION

When other types of forms of revenue are received, reconciliation similar to the player registration reconciliation should be performed. The sponsor donations should reconcile with the total number of teams in the league, t-shirt sales should reconcile with the total number of shirts purchased, etc. All revenues should be supported for completeness and presented to the AAL Board.
