

SISTERS OF THE SECOND AMENDMENT

PROFESSIONAL WOMEN FOR EDUCATION, PRESERVATION, RECREATION

PRIVATE PISTOL LESSONS

We work with experienced shooters to finesse their skills and first time shooters to develop their fundamentals. Our club trainings are led by NRA Certified Pistol Instructors and Certified Range Safety Officers.

THE BASICS

- Private lessons are open to both men and women
- Content can be customized based on shooter's experience level
- Cost: \$25 per hour, per person, plus cost of ammunition
- You must bring your own firearm
- Lessons are offered based on weather conditions and are conducted outdoors.
- Lessons can be provided to individuals or small groups, but cost is per person, per hour

ABOUT THE LESSONS

We will teach you the basic knowledge, skills, and attitude for owning and operating a pistol safely. You will learn the NRA's rules for safe gun handling; pistol parts and operation; ammunition; shooting fundamentals; and more based on your customized learning plan and desires.

WHERE ARE THE LESSONS HELD

Castlewood Rod & Gun Club

SAFETY PRECAUTIONS

In an effort to make training safe for all students, instructors, range safety officers, etc ... the following rules and procedures have been implemented:

1. You must have your gun cased in either

a rug, a holster, or a carrying case or you will not be permitted to shoot

2. Your firearm MUST BE UNLOADED.

Firearms will be checked by a Range Safety Officer.

3. No Live ammunition in the classroom. Ammunition must be left in your vehicle.

YOU WILL NEED TO ANSWER THE FOLLOWING QUESTIONS

In order to customize your experience, we will need some information from you.

- Are you legally able to own a firearm?
- Have you shot a firearm before?
- Have you had any previous training in shooting firearms?
- Do you own a firearm?
- What caliber firearm do you own or desire to own?
- What do you already know about firearms?

- Will the lesson be for one person or multiple people?
- Do you have children in your home?
- Do you wish to learn how to clean your firearm?
- Do you have any health issues or disabilities that would prevent you from firing from a standing position?
- Are you interested in becoming certified in basic pistol ownership and operation?
- What is your main priority in seeking these lessons? (could be for personal protection, could be to increase your shooting skill level, or other)

Note: Please understand that all rules, requirements, and regulations MUST be adhered to. They are in place for your safety and the safety of the Instructors and Range Safety Officers.
